21st Annual USC National Trauma, Emergency Surgery & Surgical Critical Care Symposium

May 15-16, 2014
Langham Huntington, Pasadena, California

Presented by:
The Division of Acute Care Surgery
USC Office of Continuing Medical Education
Institute of Continuing Education for Nurses, Department of Nursing
Los Angeles County•USC Medical Center

Thursday & Friday
May 15-16, 2014
7:30 am - 4:35 pm
Langham Huntington
Pasadena, California

Program

9:40 AM - 10:20 AM
Moderator: Vaughn A. Starnes, M.D.

Session 2: Prehospital and Emergency Room

9:40 AM
Opening Remarks

9:45 AM
L.A.C. D.H.S. Welcome: Dean Carmen Pulia

9:50 AM
Welcome to the Symposium

9:55 AM
Compassionate Prehospital Blinding

10:00 AM
Methods: Verbal and Written Exposures; Confirmation of Blinding

10:05 AM
Discussions

10:15 AM - 11:15 AM
Moderator: Sean Henderson, M.D.

Session 3: Acute Care Surgery Hot Topics

9:40 AM
Acute Burn Resuscitation: Still the Challenging Dogma?

9:45 AM
Prothrombin Complex Concentrate: Is Donor Washout a Viable Option?

10:00 AM
Prehospital Needle Resources: Guidelines Revisited

10:05 AM
Discussion

10:15 AM - 11:15 AM
Moderator: V aughn A. Starnes, M.D.

Session 4: Gift of Life: A National Collaborative

9:40 AM
Moderator: Thomas Berne, M.D.

9:45 AM
Session 1: The Last Line of Defense

9:47 AM
Prehospital Use of Cervical Collars in Central Neck Trauma

9:52 AM
Discussion

10:00 AM
Session 2: Prehospital and Emergency Room

10:05 AM
Discussion

10:15 AM - 11:15 AM
Moderator: H. Belzberg, M.D.

Session 5: William C. Shoemaker Distinguished Lecture

9:40 AM
Session 6: Coroner’s Tales: True Stories

9:45 AM
Trauma Triage and Prehospital

9:50 AM
Session 17: Rapid Session: Trauma in the Community

10:05 AM
Endovascular Techniques for Trauma

10:15 AM
Discussion

10:20 AM - 11:20 AM
Moderator: Kenji Inaba, M.D.

Session 7: Outer Space

10:05 AM
Spaceflight Medical Care: Extraterrestrial Medical Care Lands Not as Graceful as KCI

10:17 AM
Moderator: Kenji Inaba, M.D.

10:20 AM
Discussion

10:25 AM - 11:25 AM
Moderator: Peter Hammer, M.D.

Session 8: In the Intensive Care Unit

10:00 AM
Upper and Lower Extremity Fasciotomy: Tragedy In? The Past, Present and Future

10:05 AM
Moderator: Peter Rhee, M.D.

10:10 AM
Session 19: USC “Rheeopardy”

10:15 AM
Discussion

10:20 AM - 11:20 AM
Moderator: Sharon Henry, M.D.

Session 18: Training in Trauma

10:00 AM
Simulation for Trauma Training

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Matthew Tadlock, M.D.

Session 20: Video Session: Surgical Techniques in the Intensive Care Unit

10:00 AM
Endotracheal Intubation: What’s In? What’s Out?

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Emilie Joos, M.D.

Session 13: In the Intensive Care Unit

10:00 AM
Intraoperative Cholangiogram: Liberal Use in Practice

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Lydia Lam, M.D.

Session 12: Military Session

10:00 AM
Onset of Acute Respiratory Failure

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Howard Belzberg, M.D.

Session 11: HOT Debate:

10:00 AM
Acute Care Surgery Hot Topics

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Richard Dorazio, M.D.

Session 10: Wound Care

10:00 AM
Medication Reconciliation In Multi-trauma Patients

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Peter Rhee, M.D.

Session 9: Trauma Nurses

10:00 AM
Pelvic Hemorrhage Control: Intraperitoneal vs. Extrapelvic Approach

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Ali Salim, M.D.

Session 8: Intensive Care: Novel Approaches

10:00 AM
Age: Fact or Myth?

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Tsuyoshi Upperman, M.D.

Session 7: Trauma Nursing: Challenges: Dogma vs. Facts

10:00 AM
Endovascular Techniques for Trauma

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Miles Black, M.D.

Session 6: Translational Basic Science

10:00 AM
The Future of Trauma: “Not as Long Enough to Learn...Interns Need to Work!”

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Matthew Tadlock, M.D.

Session 5: Research: The Driving Force

10:00 AM
A Tale of Two ICUs: The ‘Hard Core’ ICU and the ‘Quaint’ ICU

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Edward Kwon, M.D.

Session 4: Ethics

10:00 AM
Enteroatmospheric Fistulas

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Kenji Inaba, M.D.

Session 3: Evidence Based Medicine: Current Concepts in the Practice of Medicine

10:00 AM
Pelvis and Adnexa: A Critical Review

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Ali Salim, M.D.

Session 2: Leadership: Lessons Learned

10:00 AM
Necrotizing Pancreatitis

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Mark Eckstein, M.D.

Session 1: Critical Concepts in the Practice and Teaching of Acute Resuscitation: Pelvic Fracture

10:00 AM
Necrotizing Pancreatitis: Not Long Enough to Learn...

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Scott Dulchavsky, M.D.

Session 1: Do Not Attempt Airway

10:00 AM
Medical Challenges of Long-Duration Extraterrestrial Medical Care

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Donald S. Graham, M.D.

Session 1: New Directions: Do’s and Don’ts in Critical Care

10:00 AM
Anesthesiology: Patient Preoperative Care: The ACS Patient Preop

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Kenji Inaba, M.D.

Session 1: Notorious for Transplant: New Directions in Surgery

10:00 AM
Pelvis and Adnexa: A Critical Review

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Peter Hammer, M.D.

Session 1: Risk Management Council: Evaluation of Risk for Adverse Patient Outcomes

10:00 AM
Issues in the Implementation of a Comprehensive Perioperative Program

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Scott Dulchavsky, M.D.

Session 1: The Future of Surgery

10:00 AM
Endovascular Techniques for Trauma

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Howard Belzberg, M.D.

Session 1: Current Concepts in the Practice and Teaching of Acute Resuscitation: Pelvic Fracture

10:00 AM
Necrotizing Pancreatitis: Not as Long Enough to Learn...

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Ali Salim, M.D.

Session 1: New Directions: Do’s and Don’ts in Critical Care

10:00 AM
Pelvis and Adnexa: A Critical Review

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Mark Eckstein, M.D.

Session 1: Critical Concepts in the Practice and Teaching of Acute Resuscitation: Pelvic Fracture

10:00 AM
Necrotizing Pancreatitis: Not Long Enough to Learn...

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Scott Dulchavsky, M.D.

Session 1: Do Not Attempt Airway

10:00 AM
Necrotizing Pancreatitis

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Mark Eckstein, M.D.

Session 1: Critical Concepts in the Practice and Teaching of Acute Resuscitation: Pelvic Fracture

10:00 AM
Necrotizing Pancreatitis

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Scott Dulchavsky, M.D.

Session 1: Notorious for Transplant: New Directions in Surgery

10:00 AM
Pelvis and Adnexa: A Critical Review

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Peter Hammer, M.D.

Session 1: Risk Management Council: Evaluation of Risk for Adverse Patient Outcomes

10:00 AM
Issues in the Implementation of a Comprehensive Perioperative Program

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Scott Dulchavsky, M.D.

Session 1: The Future of Surgery

10:00 AM
Endovascular Techniques for Trauma

10:05 AM
Discussion

10:10 AM - 11:10 AM
Moderator: Howard Belzberg, M.D.
The annual USC Trauma, Emergency Surgery and Surgical Critical Care Symposium is hosted by the Department of Surgery from the Los Angeles County + USC Medical Center, University of Southern California Medical Center, one of the largest trauma centers in the United States. The symposium features cutting-edge lectures, live critical care operations, interactive and provocative panel discussions, and inspiring keynote addresses by leaders in the field of acute care surgery, trauma and surgical critical care. A balanced and evidence-based program that will maximize hot topic debate and video sessions. Each session will focus on understanding the latest developments and the implementation of practical procedural skills.

COURSE DESCRIPTION

The course is intended for physicians, nurses, physician assistants, nurses, emergency medical technicians, paramedics and other personnel working in the field of acute care surgery, trauma and surgical critical care. It is designed for all health professionals who work in critical care, and seeks to enhance their understanding of trauma care and treatment options to optimize management of their patients.

COURSE OBJECTIVES

At the conclusion of the program the participant should be able to:

- Discuss the management of complex complications in the critically ill patient;
- Institute new management protocols in trauma and ICU care into practice;
- Outline methods to improve education of acute organ donation within their institution.

The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 16.25 AMA PRA Category 1 Credits™. Physicians should only claim the credit commensurate with the extent of their participation in the activity. Provider approved by the California Board of Registered Nursing, Provider Number CEPP010 for 13.5 contact hours. These courses have been approved for 10 hours of continuing education by California EMS CE Provider #49-0002. Objectives available upon request.

Accreditation Statement

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Course Information

Course Proceedure: Provided to all registrants on check in at or near check in.

Cancellation Policy: In the event of an cancellation by conference organizers, all registration fees will be refunded. In the event of a cancellation for causes other than those stated above, there is a fee of $160 up to 24 hours prior to event. No refunds will be given after the course begins. Each health or money is lost as a result of any reason. The Keck School of Medicine of the University of Southern California policy does not allow acceptance of foreign personal checks.

Hotel: Staying at the Langham, call 213-651-1990, ask for the group reservations. At the conclusion of the event, there is a $250 deposit per room to reserve the room. Parking: Only valid parking is available at the Langham Huntington. Discounted $250 nightly rate for daily Internet Access: Electricity is available is limited. Internet access permission is without notice. Special Places: No pets allowed on our campus by May 14, 2014 in order to better serve you.

REGISTRATION FORM

2014 Annual USC Trauma, Emergency Surgery & Surgical Critical Care Symposium on May 15-16, 2014

Langham Huntington: Hotel 1401 S. Oak Knoll Avenue, Pasadena, California

NAME ___________________________________________ PHONE ___________________________________________ E-MAIL ____________________________ STATE _______________ ZIP CODE _______________ SPECIALTY ____________________________

APPLICATIONS DEADLINES

Early Registration until 5/11/14, noon P.S.T.

Nursing: $485 May 15-16 $275 One day attendance

RVN/Allied Health Professional: $365 May 15-16 $175 One day attendance

Resident/Student/Fellow: $265 May 15-16

On site registration and payment fees after 5/11/14

Physician: $850

RVN/Allied Health Professional $400

Resident/Student/Fellow: $100

At the conclusion of the program the participant should be able to:

- Discuss the management of complex complications in the critically ill patient;
- Institute new management protocols in trauma and ICU care into practice;
- Outline methods to improve education of acute organ donation within their institution.

Credit Designation
