

January 2012

CURRICULUM VITAE

A. Personal Information:

Name in Full	Namir Katkhouda, MD
Business Address	Department of Surgery USC Healthcare Consultation Center 1510 San Pablo Street, Suite 514 Los Angeles, CA 90033
Business Phone	(323) 442-5831
Date of Birth	September 2, 1955
Citizenship	France and US
Marital Status	Married
Spouse's First Name	Dominique
Number of Children	Two (Nadine and Philippe)

B. Education:

High School	French Lycee, Vienna, Austria, Scientific Serie D Baccalaureate 1973 High Honors
Medical School	Faculty of Medicine, University of Montpellier, France, 1973-1979 Doctor of Medicine, University of Nice, France, June 1984 (MD)
Residency	University of Nice, School of Medicine, General Surgery, 1979-1984
Chief Residency	University of Nice, School of Medicine General Surgery, 1984 – 1987
Postdoctoral Education	1. Master of Science: National Diploma for Advanced Studies in Surgical Methodology

- (DEA) University of Marseille, France,
October 1990
2. University diploma of Competence in
Videoendoscopic surgery, University of
Nice, France, 1992.

Honors and Awards

**Bestowed Knighthood of The Legion of
Honor (Chevalier de La Legion d'Honneur)
France's Highest Order by President Jacques
Chirac on December 31, 2006**

1. Golden Cross of the French Order of Merit
and Devotion for exceptional contributions
to mankind. Nice, 1987
2. Certificate of Commendation - Tom
Bradley, Mayor of Los Angeles for
outstanding contribution in surgical
education. Los Angeles, 1991
3. Official Certificate of Appreciation -
Japanese Society of Endoscopic Surgery
Takarazuka, 1993
4. Golden Plaque of Appreciation-Greek Air
Force Hospital-Athens, 1993
5. Plaque of Appreciation-University of
Athens-Greece, 1993
6. Plaque of Appreciation-Endoscopic and
Laparoscopic Society of ASIA-Singapore,
1994
7. Plaque of Appreciation-Turkish Society of
Laparoscopic Surgery-Istanbul, 1994
8. Plaque of Appreciation-University of
Madrid, Spain, 1994
9. Plaque of Appreciation-Endoscopic and
Laparoscopic Society of Asia-Hong Kong,
1995
10. Honorary membership of the Mexican
Society of Laparoscopic surgery -
Acapulco, 1997

11. Phi Kappa Phi Faculty Recognition Award, For "Advanced Laparoscopic Surgery" by the President of USC Steve Sample University of Southern California, 1998.
12. Honorary membership of the Endoscopic and Laparoscopic Society of Asia – Singapore June 2000
13. Medal of the city of Nice bestowed on February 2001 by the Senator and Mayor of Nice Jacques Peyrat
14. Special Golden Medal of the city of Nice bestowed on February 2005 by the Senator and Mayor of Nice Jacques Peyrat

Licensure	French Medical License, valid indefinitely ECFMG # 0-471-957-1, valid indefinitely FLEX-December 1993
Licensure (Continued)	California Medical License # 1995. DEA #
Board Certification	French Board of Surgery, March 1987 Valid Indefinitely

C. Professional Background:

CURRENT TITLES

**Professor of Surgery (*with Tenure*)
Vice Chairman for Clinical affairs**

Department of Surgery
University of Southern California

ACADEMIC APPOINTMENTS

Chief of Surgical Clinics, University of Nice School of Medicine, 1984-1987
Senior Lecturer, University of Nice School of Medicine, 1987-1993

Director of Surgical Endoscopy and Minimally Invasive Surgery, University of Nice School of Medicine, 1990-1993
Associate Professor of Surgery, University of Southern California School of Medicine, Los Angeles, 1993-2000
Professor of Surgery with Tenure, University of Southern California School of Medicine, Los Angeles, March 2000 to present
Vice Chairman for Clinical affairs, Department of Surgery, January 2009 to present
Director, Minimally Invasive Surgery Fellowship Program , October 93 to present
Director, Surgical Skills Center, October 2005 to present

HOSPITAL APPOINTMENTS

Chief, Minimally Invasive Surgery Service, Department of Surgery, University Hospital, Nice, France, 1989-1993
Chief of Surgery, El Monte Comprehensive Healthcare Center, 1993-1996
Chief, Outpatient and Minimally Invasive Surgery Service, LAC+USC Medical Center, 1993- Present
Chief, Emergency Non-Trauma Surgery Services, LAC+USC Medical Center, 1997-2000
Chief, Minimally Invasive Surgery Program, USC University Hospital and LAC USC Medical Center, 1993-Present
Director, Bariatric Surgery, USC University Hospital Jan 2009- present
Chief, Metabolic, Bariatric and Upper GI Surgery Jan 2012- present
Chief, Division of General and Laparoscopic Surgery Dec 2008-2011
Director, Bariatric Surgery Program
Director, Minimally Invasive Fellowship Program
Chief, General Surgery Service, USC University Hospital
Staff Surgeon, general surgery, USC Hospitals, 1993-Present
Staff Surgeon, general surgery, Good Samaritan hospital, Los Angeles 2008-present
Staff Surgeon, general surgery, Huntington Memorial Hospital, 1996-Present

SPECIFIC TEACHING RESPONSIBILITIES

A. In France

1) *At the department of surgery*

- Lectures in preparation for the competitive examinations of Residents, 1979, 1980, 1981
- Teaching of Residents and candidates for the Diploma of General Surgery
- Appointed Head of Surgical Clinics, University of Nice, School of Medicine, 1984-1987
- Preparation of multiple choice questions for the competitive examination for residents.
- Seminars for the OR nurses (teaching of nurses, teaching of students performing hospital duty in Phase II of their degree course, and teaching of surgery to residents.

2) *Within the University of Nice, France*

Director of Surgical Endoscopy at the University of Nice

- Organization and teaching in monthly seminars and workshops of laparoscopic surgery (presentations, laboratory, live surgery).
- Co-Director of teaching for the University Diploma of Laparoscopic Surgery and co-chairman of the board of examiners.

Teaching Medical Students

- Formal case presentations and clinical examination
- Lectures in general surgery (at the Department of Surgery)
- Lectures on the anatomy of the abdomen (at the Department of Anatomy)
- Responsible for the preparation of multiple choice questions for formal questions.
- Teaching basic surgical techniques in the Trauma Center
- Teaching basic Principles of experimental surgical research

Teaching Surgical Residents

- Lectures on basic surgical techniques at the Department of Surgery
- OR assistance during routine and emergency cases (Department of Surgery and Trauma Unit.

- Lectures on surgical anatomy (Department of Anatomy)
- Teaching dissection techniques (Department of Surgery & Anatomy)
- Training in laparoscopic surgery and OR assistance

Teaching OR Nurses

- Formal lectures at the School of nurses in general and laparoscopic surgery
- Practical teaching of laparoscopic surgery procedures

3) *Post Graduate Teaching*

- Organized monthly seminars for general practitioners
- Organized annually seminars for physiotherapist (on the anatomy and physiopathology of the rectum and Principals of treatment of anal sphincter disorders)
- Guest lecturer on the management of abdominal trauma (at the Department of Orthopedics)
- Organized monthly seminars within the Mediterranean center for Study and Research (i.e. Latest Developments in Psychiatry, Vertigo, Thoracic Pain, Recent Advances in Radiology, The Duodenal Ulcer, Diabetes Today, Cardiac & Vascular Echography, Diarrhea, Colonic Diverticula, Vesicular Diseases other than Lithiasis, Ulcer of the Leg, Therapy of Persistent Pain, The Thyroid, Viral Hepatitis, Neonatal Dermatology)

4) *Teaching at other Institutions*

- Seminar of the Office national de recherche et d'enseignement en kinésithérapie (National Bureau for Research and Teaching in Physical Therapy) on re-education of the terminal digestive system: Course: Anatomic-pathogenesis of the terminal digestive system (December 12, 1987)
- Course in emergency abdominal pathology as part of the University Diploma curriculum on the Traumatology of Sport (March 3, 1989)
- Seminar of the Office national de recherche et d'enseignement en kinésithérapie (National Bureau for Research and Teaching in Physical Therapy) on re-education of the terminal digestive system: Course: Anatomic-pathogenesis of the terminal digestive system, Nice (April 1989)

B. In the USA

1) *Medical Students*

- Bedside teaching on rounds at General Hospital (LAC+USC).
- Weekly "attending staff" conference at LAC+USC Medical Center.
- Student Core Curriculum.

Teaching in the operating room

- Advisor of several medical students
- Mentorship program for medical students
- Evaluation of student's write-ups
- Tutorship in problem based learning
- Research sponsor of several medical students

2) *Surgical Residents*

- Bedside teaching on rounds at LAC+USC Medical Center
- Weekly divisional conference at LAC+USC Medical Center
- Grand Rounds
- Teaching in the operating room with special focus on laparoscopic surgery.
- Surgical curriculum
- Monthly journal club
- Advisor of several residents
- Attend monthly journal clubs
- Organizing courses of residents for training in laparoscopic surgery.

3) *Teaching Fellow and other Surgeons*

- Directing and running hands on course and post graduate seminars with a didactic session and a laboratory training session within the Minimally Invasive Research and Education Center at the Hoffman Research Building. (Trains 120 surgeons/year in the field of laparoscopic surgery).
- Directing and running post graduate courses nationally in the field of minimally invasive surgery.
- Teaching in surgical courses outside USC nationally in university based courses in accredited programs
- Preceptorship program at USC and outside USC (nationally) where surgeons are taught surgical procedures-hands on.
- Proctoring programs conducted where surgeons are judged on their performance.
- Participating in numerous panels as experts, chairman, and moderator in scientific meetings throughout the USA.
- Hands on laboratory training on an animal model and in the inanimate trainer.
- Conferences held on a regular basis involving general practitioners, gastroenterologists and other surgeons.

**C. Special Teaching, Nationally & Internationally as Guest Faculty,
Course Director and Visiting Professor**

1990

Austria, Vienna - Professor Fashing, (December)
USA, Nebraska - Surgical Grand Rounds as visiting Professor at Creighton University in Omaha (December)
USA, Maryland - Surgical Grand Rounds as visiting Professor at University of Maryland in Baltimore (December)

1991

France, University of Bordeaux - Professor Perissat (March)
Germany, Munich - Professor Witte (March) (Visiting Professor)
Germany, University of Duiseldorf - Professor Coburg (March)
Netherlands, University of Amsterdam (April)
France, University of Toulouse - Professor Fourtanier (May)
Italy, Pisa (May)
Canada, Toronto - University of MacMaster (June)
China, Shanghai and Canton - Member of the Sinoamerican Conference on Laparoscopic Surgery at the University of Shanghai and Canton
USA, Alabama - Laparoscopic surgery courses at the University of Birmingham (August)
England, University of Dundee - Professor Cushieri (September)
Canada, Quebec - Professor Dion, University of Quebec (September)
Netherlands, Maastricht - Professor Go (October)
Italy, Rome - Professor Basso (November)
Greece, Athens - Professor Baiters (November)
Spain, Valencia - Professor Rodeo (November)
Canada, Montreal - Professor Meakins, University of MacGill (December)

1992

Laparoscopic Cholecystectomy, A Critical Review, Member of the Experts Committee, Congress of the French College of Surgeons, France, 1992.
Laparoscopic Management of Peptic Ulcer Disease, The French Experience, Post Graduate Course, The Society of the American Gastroendoscopic Surgeons, Washington D.C., 1992.
Highly Selective Vagotomy, Scientific Session and Post Graduate Course, Washington, D.C., 1992.
Techniques and Laparoscopic Herniorrhaphy, New Frontiers in Endosurgery, Course, New York, 1992.
Director - Operative Laparoscopic Surgery for the General Surgeon, Course in Advanced Laparoscopic Techniques, Canada, 1992.

1993

Special Guest Lecturer - Laparoscopic Surgery as Practiced in Europe, American College of Surgeons Chapter, North Carolina, 1993.

Peptic Ulcer Surgery and Gastric Surgery, Chairman, 1st European Congress of the European Association of Endoscopic Surgery, Germany, 1993.

Laparoscopic Liver Resection; 3rd International Course of Laparoscopic Surgery, Brazil, 1993.

Laparoscopic Peptic Ulcer, 3rd International Course of Laparoscopic Surgery, Brazil, 1993.

Laparoscopic Inguinal Hernia Repair; 3rd Workshop on Laparoscopic Surgery, Germany, 1993.

1994

Laparoscopic treatment of Inguinal Hernia, Chairman of the Session; 4th World Congress of Endoscopic Surgery, Kyoto, Japan, 1994.

Laparoscopic treatment of Liver and Spleen Disease, Chairman of Scientific Meeting, 4th World Congress of Endoscopic Surgery, Kyoto, Japan, 1994.

Laparoscopic treatment of Gastroesophageal Reflux Disease and Ulcer Disease, January 12 - 14, 1994, Ethicon Endo-Surgery, Cincinnati, Ohio.

Gastroesophageal Reflux Disease, Speaker and Course Director, Advanced Minimally Invasive Surgery, March 3 - 5, 1994, Oregon.

Laparoscopic treatment of Gastroesophageal Reflux Disease, Course Director, Advanced Laparoscopic Surgery, April 20, 1994, Boston.

Laparoscopic treatment of Gastroesophageal Reflux Disease, Course Director, Advanced Laparoscopic Surgery, April 22, 1994, Dallas, Texas.

Laparoscopic Cholecystectomy, University Based Educational Research Center, April 25, 1994, Course Director, Minimally Invasive Surgery, University of Southern California, Los Angeles.

Laparoscopic treatment of Gastroesophageal Reflux Disease, Course Director, Advanced Laparoscopic Surgery, University of Rochester, May 4, 1994, New York.

Laparoscopic treatment of Gastroesophageal Reflux Disease, Course Director, Advanced Laparoscopic Surgery, May 1, 1994, Somerville, New Jersey.

Laparoscopic Gastroesophageal Reflux Disease, Course Director, Advanced Laparoscopic Surgery, USC, School of Medicine, June 3 - 4, 1994, Los Angeles.

Peptic Ulcer Disease, Course Director, Pacific Alliance Medical Center, July 11, 1994, Los Angeles.

Laparoscopic Gastroesophageal Reflux Disease, Course Director, Advanced Laparoscopic Surgery, University of New York, September 21, 1994.

1995

Updates on Minimally Invasive Surgery, Midway Hospital, February 1, 1995, Los Angeles.

Nissen Fundoplication, May 5, 1995, Course Director, Advanced Laparoscopic Surgery, Memphis, Tennessee.

Laparoscopic treatment of Gastroesophageal Reflux Disease, Laparoscopic Liver, Wajira Hospital, University of Bangkok, June 15, 1995, Thailand.

Laparoscopic Hernia Repair, Speaker and Course Director, Ethicon EndoSurgery, April 15 -16, 1995, Cincinnati, Ohio.

Laparoscopic Hernia Repair; Course Director, European Endoscopic Surgical Society Meeting, September 15, 1995, Madrid.

Laparoscopic treatment of Gastroesophageal Reflux Disease, Speaker and Course Director, Universitario "La Fe", Valencia, Spain, Nov. 28-29, 1995.

Laparoscopic treatment of Gastric Lesions by Gastrectomy Speaker and Course Director, Universitario "La Fe", Valencia, Spain, Nov. 28-29, 1995.

1996

Unresolved Issues in Laparoscopic Splenectomy, Speaker, Southwestern Surgical Society, Scottsdale, Arizona, April 1996.

Laparoscopic Gastrectomy, 4th International Congress of the European Association for Endoscopic Surgery, Trondheim, Norway, June 1996.

Advanced Laparoscopic Surgery, Nice, France, June 1996.

1997

Advanced Laparoscopic Surgery Symposium, Laparoscopic Management of Gastroesophageal Reflux Disease, Baylor University, Dallas, TX, January 1997.

Laparoscopic Management of Liver and Splenic Disease, Course Director, University of Cincinnati, Cincinnati, OH, March 1997.

Observations of the US Healthcare Market from a European Trained Surgeon, University of Massachusetts Medical Center, Worcester, MA, April 1997.

Laparoscopic Management of Liver and Splenic Disease, Course Director, University of Cincinnati, Cincinnati, OH, May 1997.

Laparoscopic Management of Liver and Splenic Disease, Osaka Medical College, Osaka, Japan, July 1997.

Laparoscopic Management of Liver and Splenic Disease, Osaka University, Osaka, Japan, July 1997.

Laparoscopic Management of Liver and Splenic Disease, Course Director, University of Cincinnati, Cincinnati, OH, July 1997.

Laparoscopic Solid Organ Surgery, Visiting Professor, University of Ghent, Belgium, November 1997.

Laparoscopic Solid Organ Surgery, UCLA Visiting Professor, December 6, 1997.

1998

Laparoscopic Hernia Repair Session, Chairman, 6th World Congress of Endoscopic Surgery, Rome, Italy, June 1998

Laparoscopic Liver Surgery using Fibrin Sealant, Visiting Professor, University of Maryland School of Medicine, November 1998

Laparoscopic Liver Surgery using Fibrin Sealant, Visiting Professor, University of Ohio School of Medicine, December 1998

1998-2010: more than 350 additional invited and scientific lectures and visiting professorships in all continents, all Surgical societies (national, international meetings etc...)

Presented twice as first and senior author at The American Surgical Association meetings (1998, 2005)

SPECIFIC ADMINISTRATIVE RESPONSIBILITIES

Director, Minimally Invasive Surgery Program, Department of Surgery, University of Nice School of Medicine, 1990-1992

Vice Chairman, Department of Surgery, University of Nice School of Medicine 1987-1993

Chief, Division of Emergency Non-Trauma Surgery, Department of Surgery 1993-2000

Director, USC Department of Surgery, Outpatient and Minimally Invasive Surgery Program, 1993-Present

Director, University based Research and Education Program in Minimally Invasive Surgery (UBERC), University of Southern California School of Medicine, 1996-Present

Director, Solid Organ Surgery Courses, University of Cincinnati School of Medicine, 1997 - Present

Member, USC Department of Surgery Surgical Council of Division Chiefs, 1993-Present

Member, USC Department of Surgery Medical Student Committee, 1997 - Present

Member, LAC+USC Medical Center New Operating Room Committee, 1998 - Present

Chair, LAC+USC Medical Center Task Force for Minimally Invasive Surgery (Cholecystectomies and Appendectomies pathways) 1997 - Present

State Chairman, Society of American Gastroendoscopic Surgeons SAGES 1997-2007

Member, Board of Directors, USCAN (University of Southern California Department of Anesthesiology) 1999 – 2009
-Director, Bariatric Surgery, USC University Hospital Jan 2009- present
-Chief, Division of General and Laparoscopic Surgery Jan 2009- Jan 2012
-Chief, Metabolic and upper GI surgery Jan 2012-present
-Vice Chairman for Clinical affairs, Department of Surgery, Jan 2009- Present
Member, Medical Executive Committee (USC University Hospital 2008- present)
Member, Executive Peer Review Committee (USC University Hospital 2008-present)
Vice Chairman, Operating Room Committee (Jan 2009-present)
Chair, Department of Surgery Appointment and Promotion Committee (Nov 2009-present)
Chief of Surgery USC University Hospital (Jan 2009- present)
Member, Clinic Committee (USC Department of surgery Jan 2009- present)
Co Chair, Compensation Committee (USC Department of Surgery Jan 2009-present)
Chair, Best Practices Committee (USC UH Jan 2010- present)
Member, Value Analysis Committee, (USC UH 2010- present)

OTHER KEY ADMINISTRATIVE RESPONSIBILITIES

Member, Society of American Gastrointestinal Endoscopic Surgeons (SAGES) Membership Committee 1997-2003
Member, Society of American Gastrointestinal Endoscopic Surgeons Program (SAGES) Committee 2009- present
Past Member, Board of Governors, Society of American Gastrointestinal Endoscopic Surgeons (SAGES)
Member, Committee on Video- based Education, American College of Surgeons (Representative for General Surgery)
Member, National Advisory Committee for Bariatric Surgery, American College of Surgeons
Past President, California Chapter of the American Society of Metabolic and Bariatric Surgery

MILITARY SERVICE

Exempt from the French Military Service

D. Society Memberships:

Local

Los Angeles Academy of Medicine
Los Angeles Surgical Society
Society of Graduate Surgeons

National and International

Honorary Member of the Endoscopic and Laparoscopic Society of Asia
Honorary Member of the El Paso Texas Surgical Society
Honorary Member of the Mexican Society of Laparoscopic Surgery
Member of the French College of Surgeons
Member of the French Society of Endoscopic Surgery
Member of the European Society of Endoscopic Surgery
Member of the International Hepatobiliary Association
Member of the Society of American Gastrointestinal Endoscopic Surgery
Member of the Southwestern Surgical Congress
Member of the American Society of Metabolic and Bariatric Surgery
Member of the Surgical Society of the Alimentary Tract
Fellow of the American College of Surgeons

E. Editorial board memberships

Editorial Board Membership of Surgical Journals

Editor in Chief, Minimal Access Therapy
Member of the Editorial board of "Surgical Endoscopy"
Member of Editorial Board of "Surgical Laparoscopy, Endoscopy and Percutaneous Techniques"
Member of the Editorial Board of "General Surgery News"
Member of the editorial board of "Hernia"
Member of the Editorial board of Bariatric News
Member of Editorial Board of "Journal de Coeliochirurgie," France
Member of Editorial Board of "Minimally Invasive Therapy and Allied Technologies," England.
Member of Editorial Board of "Virtual Reality in Medicine," USA
Member of Editorial Board of the "Italian Video Surgery Journal," Italy
Member of the Editorial Board of "Chirurgie Endoscopique," France
Regular reviewer for Surgical Endoscopy
Regular reviewer for Archives of Internal Medicine

Regular reviewer for the World Journal of Surgery
Regular reviewer for Surgery
Regular reviewer of Annals of Surgery

-

F. **Research Activities**

Major Areas of Research Interest

- Effect of CO2 pneumoperitoneum on intra-abdominal malignancy
- Organization of prospective randomized studies of open vs. laparoscopy in general surgical disease (appendectomy, cholecystectomy)
- Role of biologic glues in minimally invasive surgery
- Role of Telepresence and Telemedicine in surgical education in the field of minimally invasive surgery
- Use of Virtual Reality and Robotic technology in laparoscopic techniques
- NOTES (natural orifice laparoscopic surgery)
- Single port robotic surgery
- Single incision laparoscopic surgery
- Evaluation of biologic properties of biologic surgical meshes
- Metabolic Surgery: Effects of Weightloss surgery on Type 2 diabetes
- Beta Cell Preservation through mitigation of abdominal fat
- Effect of Weightloss on Endometrial Cancer
- Racial differences of visceral fat distribution and its predictive effect on type 2 diabetes

Research Grants in Past Five Years

1. Coprincipal investigator, NIH UO-1CA, Grant #65 117-01 Minimal Access Surgery for pancreas cancer, phase II trial (1994-1996) \$110,000
2. Principal investigator, University based Research grant in Laparoscopic Surgery funded by Johnson & Johnson (1994-1995) \$180,000
3. Principal investigator, Effect of CO2 pneumoperitoneum on liver metastasis in the rat model funded by Johnson & Johnson (1995-1996) \$ 24,000
4. Coprincipal investigator, Laparoscopic ultrasonic Ablation of gastroesophageal Mucosa, funded by Johnson & Johnson (1995-1996) \$ 20,030
5. Principal investigator University based Minimally Invasive Education Center grant funded by Johnson & Johnson (1994- present) \$280,000 yearly
Total \$1,200,000 (*contract signed for 10 years*)
6. Principal investigator, use of Fibrin Sealant in laparoscopic hernia repair, funded by Baxter Healthcare Corporation (1998-1999) \$ 42,000
7. Principal investigator, comparison of Fibrin Sealant versus Argon beam in liver resection, funded by Baxter Healthcare Corporation (1999-2000) \$ 80,000
8. Coinvestigator and site Principal investigator, NIH RO-1, HS/AGO9860-01A2 submitted May 1998 Lichstenstein vs. watchful waiting for treatment of inguinal hernias, a multicentric study (1999-2004) \$850,000 per site (for USC)
9. Co Principal Investigator, SAGES research Grant (2008) on the use of fibrin sealant for ventral hernia repair in the porcine model \$ 25,000
10. Principal Investigator, Ethicon Field Training Center Grant, July 2009-2011 for training in laparoscopic Surgery \$ 195,000 yearly Total: \$ 390,000
11. Co Investigator: NIH- UO1 grant (PI: Thomas Buchanan MD): Effect of mitigation of abdominal fat on beta cell preservation \$ 3.700,000 (5 % effort)
12. Principal Investigator, Ethicon Field Training Center Grant, July 2010-2012 for training in laparoscopic Surgery \$ 95,000 yearly Total: \$ 190,000

Grant submitted NIH- RO1 (shared PI) with Michael Goran MD 2012: on “ Ethnic Differences in Adipose Tissue: Impact on Risk for Type 2 Diabetes”

G. **Surgical Innovations** (Procedures not previously performed and pioneered by Dr Katkhouda)

Laparoscopic Vagotomy	1989 (ref 7)
Laparoscopic Aortic Surgery	1991 (ref 16)
Laparoscopic Gastrojejunostomy	1991 (ref 8)
Laparoscopic Preperitoneal Hernia Repair	1991 (ref 12)
Laparoscopic Liver Surgery	1992 (ref 10)
Laparoscopic Hernia repair using Fibrin Glue	1990- 2001 (ref 55)

PEER REVIEW ARTICLES IN PRESS

1. Management of the cardiac patient in bariatric surgery: *Surgery of Obesity and Related Diseases 2012*
2. Meta-analysis of randomized controlled trials comparing antibiotic therapy versus appendectomy for acute uncomplicated (no abscess or phlegmon) appendicitis - Accepted to *Surgical Infections 2012*

ARTICLES IN PREPARATION

1. Non operative management of appendicitis
2. Percutaneous drainage versus Cholecystectomy for Delayed Acute Cholecystitis: a matched group analysis- to be submitted to *American Surgeon*
3. Safety of the Duodenal switch for morbid obesity: long term results on 1159 patients- to be submitted to *Annals of Surgery*
4. Maternal Outcomes Associated with Appendectomy in Pregnancy: Analysis of the ACS NSQIP Database - submitted to *Archives*
5. Single port versus regular laparoscopic Cholecystectomy: a Systematic review and a Metanalysis to be submitted to *Annals of Surgery*
6. Mini endoscopic cervicotomy for swallowing disorders to be submitted to JACS
7. Does anatomic location of necrotizing fasciitis affect outcomes?

8. Laparoscopic versus Open Appendectomy in Obese Patients: Outcomes using the ACS-NSQIP Database submitted to *JACS*

MISCELLANY

Films presented at National and International Surgical Scientific Meetings

The Surgical Treatment of a Benign Liver Tumor. **N. Katkhouda**, A. Tricarico, L. Castillo, B. Goubaux. Shown at the IHBA Video Forum, Nice (September 1988)

Cholecystectomy by Videoendoscopy. **N. Katkhouda**, P. Fabiani, D. Le Goff, J. Gugenheim, J. Mouiel. Presented at the 4th European Congress of the Academic Department of Surgery, ULM, West Germany (March 1990)

Treatment of Liver Biliary Cysts by Videocoelioscopy. **N. Katkhouda**, L. Iovine, J. Mouiel. Presented at the 2nd Italian Congress of Mechanical Sutures, Ischia, Italy (May 15, 1990)

Surgical Treatment of Chronic Duodenal Ulcer by Videocoelioscopy. **N. Katkhouda**, L. Iovine, P. Fabiani, J. Gugenheim, J. Mouiel. Presented at:
The 2nd European Congress of Videosurgery, Turin, Italy (September 1990)
Video Forum of Digestive Surgery, Toulouse, France (June 1990)
The 2nd Meeting of the International Gastro Surgical Club, Athens, Greece (November 15-17, 1990)
The 9th Symposium of Digestive Surgery, Portugal, Spain (November 5-7, 1991)

Treatment of Inguinal Hernia by Videocoelioscopy. **N. Katkhouda**, P. Fabiani, J. Gugenheim, J. Mouiel. Presented at:
The 5th Meeting of Academic Surgery Departments, Pisa, Italy (March 1991)
The World Congress of the Collegian International of Digestive Surgery, Stockholm, Sweden (August 1991)
The Meeting of the French Association for Viscerosynthesis, Annecy, France (September 1991)

Surgical Treatment of a Renal Abscess by Videocoelioscopy. **N. Katkhouda**, P. Fabiani, J. Gugenheim, J. Mouiel. Presented at The Meeting of the French Association for Viscerosynthesis, Annecy, France (September 1991)

Laser Resection of a Hepatic Hydatid Cyst Under Videocoelioscopy. **N. Katkhouda**, P. Fabiani, J. Gugenheim, J. Mouiel. Proposed at The French Congress of Surgery, Paris, France (October 1991)

Other Scientific Movies Presented, Nationally and Internationally

Laparoscopic treatment of Chronic Duodenal Ulcer, N. Katkhouda

Laparoscopic Truncal Vagotomy for treatment of Duodenal Ulcer. N. Katkhouda

Laparoscopic treatment of Perforated Duodenal Ulcer, N. Katkhouda

Laparoscopic Truncal Vagotomy and Seromyotomy, N. Katkhouda

Laparoscopic Truncal Vagotomy and Antrectomy, N. Katkhouda

Laparoscopic Gastrojejunostomy for Unresectable Pancreatic Cancer. N. Katkhouda

Laparoscopic treatment of Gastroesophageal Reflux Disease. N. Katkhouda

Laparoscopic Hepatico Jejunostomy for Complicated CBD Disorders, N. Katkhouda

Laparoscopic treatment of Biliary Cysts. N. Katkhouda

Laparoscopic treatment of Liver Hydatid Cyst. N. Katkhouda

Laparoscopic Liver Resection. N. Katkhouda

Laparoscopic Liver Metastasectomy. N. Katkhouda

Laparoscopic Splenectomy, N. Katkhouda

Laparoscopic Colectomy. N. Katkhouda

Laparoscopic Cholecystectomy. N. Katkhouda

Laparoscopic Hernia Repair. N. Katkhouda

Laparoscopic Aortobifemoral Bypass. N. Katkhouda

Laparoscopic Thoracoscopy for Trauma. N. Katkhouda

Laparoscopic Paraesophageal Hernia with Gastric Volvulus. N. Katkhouda
